

Meetings, incentives, conferences and events. Whatever your idea of the perfect stay, the Jebel Ali Golf Resort & Spa looks forward to creating something very unique and special for you. Hundreds of successful events take place every year at the Jebel Ali Golf Resort & Spa. Here are just a few of the comments we have received.

"Running training courses in a foreign country, with participants flying in from different parts of the Middle East and including outdoor activities always provide a challenge. The Jebel Ali team rose to that challenge and made the organisation and running of our two courses very smooth and stress free. The hotel staff made us feel very welcome and looked after us really well – there are too many to mention everyone. If we are asked to run future courses in the region I will have no hesitation in recommending we use your hotel again."

Davis Langdon

"Our party had a good stay with you and enjoyed the hotel facilities. The grounds were lovely and relaxing and the food in the restaurants was great. The rooms were good and all our delegates were happy with their stay. Your venue being just between Abu Dhabi and Dubai is perfect for us. Thank you for all your help and assistance."

Lafarge Concrete

"I just wanted to express thanks on behalf of everyone at Sun Microsystems who participated in yesterday's Sun Microsystems FY09 Kick Off. We had a superb day from beginning to end and much of the success of our event was down to your team's direct support. Not only had they got all the main points of our event covered, they also took care of the small details which made this event so much better than it would otherwise have been."

Sun Microsystems, MENA Region

"Thank you! Our finance managers were happy with the resort and we will definitely use your property for future requirements. It was an excellent property and the service was superb."

MAERSK

"Thank you so much to Jebel Ali Golf Resort & Spa for all their support. The arrangements were all taken care of and our guests enjoyed their stay and the facilities of your hotel. The conference went off well without any problems."

CORDSTRAP

"Thank you very much for your full support on our Annual Meeting which was held last July. It was indeed a great and wonderful experience working with your property."
